

CELEBRATION OF WORLD YOUTH SKILLS DAY

15th July has been declared as the **World Youth Skills Day** by the United Nations Organization (UNO). This will be celebrated in India with **Live Address** of **Shri Narendra Modi**, Hon'ble Prime Minister of India, to the nation. In every city and educational institute live streaming of the programme will be undertaken.

It is advised that all universities and affiliated colleges may please make necessary arrangement and stay connected to the live telecast and take a skills pledge along to build India, ***The Global Capital Of Skills***.

The Universities/Educational Institutes are urged to take part in the celebration of World Youth Skills Day and make all effort to join the mission of making '***Skill India***' successful. As a part of AIU-CII-Wheebox partnership on the ***India Skills Report***, universities are requested to make an announcement of the same and inform all its affiliated colleges to launch the Wheebox employability skill test on **July 15** in large number by asking students to register on ***www.wheebox.com/west***.
