AIU/RES/DEC /2016/

December 19, 2016

Dear Vice Chancellor/Director,

As you are aware that Association of Indian Universities (AIU) as an apex body is mandated with objective of promoting the quality and standard of Higher Education in the country. In order to fulfill its mandate, AIU time to time undertakes research projects on various aspects of Higher Education for providing research based inputs to Ministry of Human Resource Development, Government of India for devising educational policies.

Similarly, the Research Division, AIU also maintains a data base on various aspects of Higher Education which was discontinued in the past few years. Now, an initiative has been taken to revive the database activities. To begin with, we have planned to collect, collate and compile the data on financing of universities.

Enclosed is the format developed for the above stated purpose. I would request you to provide us the data in the enclosed proforma so as to enable us prepare the database on the financial aspects of universities.

The soft copy of the Proforma is attached through email and has been uploaded in AIU website also. You may fill in the proforma online either by downloading from your email or from the AIU website: <http://www.aiu.ac.in> and send it to Dr Amarendra Pani, Deputy Director and Head Research Division, AIU at the following email id: **researchaiu@gmail.com**.

Your early response and cooperation shall be appreciated.

With regards,

Sincerely yours,

[Prof Furqan Qamar]
