Dear Vice Chancellor/Director,

Greetings from AIU!

It is my pleasure to inform you that the remarkable collaboration and partnership of **Association of Indian Universities (AIU)** with **Wheebox** (A Global Online Talent Assessment Company) will effectively result in build-up of a comprehensive scientific validated report on Indian Skills and Jobs titled as the "**India Skills Report 2018**". This enriching exercise in the preceding years had astounding results on the ground level contributing to placement of more than 38000 graduate students in various renowned Global and Indian companies. The report is based on a **Pre-Employment Assessment & Job Survey** under the aegis of AIU, Wheebox, AICTE, LinkedIn, UNDP, Confederation of Indian Industries (CII) and People Strong. The outcome of this report will also be promoted by AIU and will be presented at "**CII National Conference on Skill Development**" in presence of eminent Government and Industry Dignitaries.

Therefore, we definitely appreciate and look forward for your robust support to spread the reach of this fruitful exercise and enable its promotion among wider gamut of universities and educational institutions. We request you to support in accelerating the reach of this initiative by facilitating the conduct of "**Wheebox Employability Skill Test (WEST)**" at your university campus. The test aims to measure major competencies of the candidate for employability and the outcome of the test will help academic institutions to identify core strengths and improvement areas of the students.

For year 2018, the participating students will have an access to Learning Content, Job & Internships Opportunities & Skill Certifications. The **India Skills Report 2018** will also be shared with AIU member universities in India, Industry, Employers, Government and Academic Institutions in India and abroad.

All institutes/campuses/universities need to register with Wheebox at www.wheebox.com/register and fill in the details in order for the AIU or Wheebox representative to connect between **15th July 2017 to 20th October 2017**. Students need to register at www.wheebox.com/west. The Wheebox test, Transcripts and Certificates of the employability test are available at **NO COST** to the students. For any further information, you can connect with Wheebox team at **0124-420-6500** or **0124-4047658** or mail at: ketan.virmani@wheebox.com.

Let us make the event successful by your active participation. Look forward for your overwhelming cooperation.

With regards,

Yours sincerely
